First Named Inventor:	John S. Robotham	Art Unit: 2628
Application Number:	10/764,341	Examiner: W. Sajous

Attention: Office of Petitions Mail Stop Petition Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450		Submitted October 26, 2006 VIA FACSIMILE
<b>A. Statement of Facts and Applicant's Petition</b>		
<p>1) Applicant submitted a Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address dated February 14, 2006 (referred to herein as the "First Revocation"). Applicant also filed a Statement under 37 CFR § 3.73(b) in support of the First Revocation. Title to the present invention has taken two steps to get from the inventors to the current assignee, as indicated in the Statement Under 37 CFR § 3.73(b):</p> <p>a) From John S. Robotham, Charles Lee Johnson, and Howard P. Weiss to Zframe, Inc., by an assignment recorded at Reel 015625, Frame 0602-0605, and</p> <p>b) From Zframe, Inc. to Searchlite Advances, LLC by a document that the prior attorneys of record attached in full to the Statement Under 37 CFR § 3.73(b).</p> <p>2) The undersigned, on behalf of the current assignee, Searchlite Advances, LLC, asserts that the attachment of the entire document referred to in point 1(b) above as part of the First Revocation was unintended and due to error. The subject document represents confidential information related to the assignment of the present application (and other patent matters), and it was assignee's intention that only the assignment of the present application, now recorded, be filed with the First Revocation. It is further asserted that if said complete document continues to be available as part of the public record, the current assignee will suffer negative business consequences, including negative effects on its ability to license or assign the patent rights obtained in the present application.</p> <p>3) The undersigned is acting as attorney of record based on a Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address dated September 11, 2006 (referred to herein as the "Second Revocation"), a copy of which is attached hereto. Also filed with the Second Revocation was a second Statement under 37 CFR § 3.73(b) (the "Second 3.73(b) Statement"), copy attached, which also demonstrates the above two-step chain of title, but in place of the full document referred to in point 1(b) above, refers to:</p> <p>a) the assignment recorded at Reel 018224, Frame 0404.</p> <p>4) Thus, the undersigned asserts that for the purposes of the First and Second Revocations, chain of title is adequately and completely demonstrated by the two recorded assignments 1(a) and 3(a), referred to above, and that the full agreement referred to in 1(b) above is therefore unnecessary.</p> <p>5) Accordingly, applicant hereby petitions for expungement of the complete agreement forming the attachment to the Statement Under 37 CFR § 3.73(b) submitted with the First Revocation.</p>
